Essien Joy

UI & UX Designer

Highly skilled UI&UX Designer with 4 years experience, and proven skills in User centered design, visual design and prototyping seeking to enhance and utilize my skills in user experience and interaction design.

Experience

OPTISOFT TECHNOLOGIES -- UI & UX Designer *Nov 2019 - Present*

I lead a team of UIUX Designers in the design of consumer products and my daily responsibilities are to:

- Work closely with product managers and engineers to get features developed and launched.

- To work closely with licensees, Category managers and VP in developing new product lines.

- Gather and evaluate user requirements in collaboration with product managers and engineers.

- Illustrate design ideas using storyboards, process flows and site-maps

- Design graphic user interface and its elements, like menus, tabs and widgets

- Design and enterprise resource planning solution

- Prepare and present rough drafts to internal teams and key stakeholders

- Identify and troubleshoot UX problems.

- Conduct layout adjustments based on user feedback.

- Design high and low fidelity wireframes.

ZINOSPOT NG -- UI & UX Designer *August 2018 ~ Oct 2019*

Designed the user interface, interaction and created the user flow and prototype for an investment mobile application, which has provided over 200 entrepreneurs with the opportunity of executing of their business ideas.
